

2023 – 2024 Book of Accomplishments (BOA) Instructions & Activity Values

WHAT IS A BOA?

After camp, cadets are encouraged to use the skills and knowledge they gained at camp to spread the word about conservation. A Book of Accomplishments, or BOA, is a record of all the post-camp events and activities a Texas Brigades cadet has completed in the name of conservation advocacy. Once assembled, a cadet can submit their BOA to earn rewards such as *trips, prizes, leadership roles, and college scholarships*.

BOAs, as well as corresponding applications, are required to return to camp in a leadership role. A graduate's BOA is used as a factor in selecting **Assistant Leaders** (a leadership role the year following their attendance as a cadet) and **Special Agents** (a leadership role the year after serving as an Assistant Leader). Leadership positions and college scholarship awards are not mutually exclusive, meaning you may earn a scholarship even if you cannot *attend* camp as an Assistant Leader.

HOW TO COMPLETE A BOA (Book of Accomplishments)

1. Complete and record activities

- a. Rewarded activities, categories, and maximum point values are listed in this Activity Values document. It is up to you to seek out BOA opportunities for yourself; however, if our office knows of an event where cadets are needed, we will post it on our calendar. Please visit <https://www.texasbrigades.org/calendar-events> for a current list of events that Texas Brigades is aware of and/or has arranged for/secured.
- b. Under NO circumstances should a child or parent accept donations on behalf of Texas Brigades during ANY BOA activity. If someone asks to donate, please direct them to our website at <https://texasbrigades.org/donate> or ask that they mail a check to our office in New Braunfels.

2. Assemble your Book of Accomplishments

- a. BOAs are judged based on adherence to the following guidelines; creativity is also encouraged.
- b. **REQUIRED Components of ALL BOAs**
 - i. Cover: should include proper camp name, cadet name, year, and position applying for.

- B. Include **typed** Activity Report Forms or inserted images of completed, typed forms.
- C. Be submitted in .pdf format as **ONE** file to ensure quality.

ii. Hard-Copy BOAs should:

- A. Be no larger than a standard binder (fitting 8.5" X 11" sheets of paper).
- B. Include **typed** Activity Report Forms.
- C. Have sheet protectors for each page (especially if photos, etc. are glued onto them).

3. Submit your Book of Accomplishments

Depending on how you constructed your BOA, you may submit it either electronically or by mail.

a. **Digital Submissions *Preferred**

- i. Should be submitted electronically (before or by 11:59 pm CST of the deadline) by emailing the BOA in .pdf format to camps@texasbrigades.org, with the subject line: BOA Submission [Cadet Name]. BOAs sent to any other email account are not considered valid submissions.
